Teacher trainer for modern language teachers, multiplier

Course designer for the teaching of English as a foreign language at the primary experimental school of the Aristotle University of Thessaloniki (for 6-12 years old).

5. Multiplier's capacity / *capacité de démultiplication:*

I've been teaching at the university for 12 years and all my courses are related to foreign language teaching methodology. I've been training in-service language teachers for 15 years and I've also been giving seminars and organizing workshops for language teachers and language advisors all over Greece. Some of my publications (see cv) are based on those training workshops and seminars.
